Probit analysis with Robust standard errors (clustered at province level) in parentheses; *** p<0.01, ** p<0.05, * p<0.1; (ln) Natural Log; SOE: State Owned Enterprise
 Vietnam created three new provinces in 2004 (Dien Bien, Dak Nong, and Hau Giang). Some control data is not available for these provinces, leading to reduction in the number of provincial clusters.
[†] 6. How important are your family and friends in bargaining with government officials? (1 Not Important - 4 Very Important)
